

Name Key Day# _____

If I had a quiz today, how would I do?

1. Write the translation that occurred in 3 ways

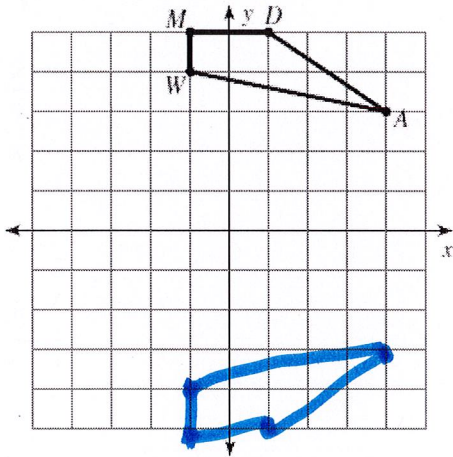

Words: R1, D5

Vector: $\langle 1, -5 \rangle$

Arrow Notation: $(x, y) \rightarrow (x+1, y-5)$

2. Graph the image
reflection across the x-axis

3. Graph the image
reflection across $y = -1$
